## **GALLAGHER ASPHALT CORP. NAMED FINALIST FOR NATIONAL WEB SITE AWARD**

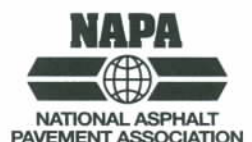

Lanham, MD – The National Asphalt Pavement Association (NAPA) announced today that Gallagher Asphalt Corp. of Thornton, Ill., is a finalist for NAPA's Outstanding Web Site Award in the hot-mix asphalt (HMA) producer member division. The company was honored on January 20 at NAPA's 54<sup>th</sup> Annual Meeting in San Diego, Calif.

The award recognizes Web site designs that promote the use of HMA and the HMA industry.

Gallagher Asphalt Corporation's Web site, [www.gallagherasphalt.com](http://www.gallagherasphalt.com), is geared to a general contractor and developer audience. It includes a company history, details about the company's plants and divisions, and information about its projects and services. The site showcases the family-owned company as an industry leader with 80 years of experience and heritage.

*The National Asphalt Pavement Association is the only association that exclusively represents the interests of the hot-mix asphalt producer/contractor on the national level with Congress, government agencies, and other national trade and business organizations. NAPA supports an active research program designed to improve the quality of HMA pavements and paving techniques used in the construction of roads, streets, highways, parking lots, airports, and environmental and recreational facilities. The association provides technical, educational, and marketing materials and information to its members, as well as product information to users and specifiers of paving materials. The association, whose members number more than 1,100 companies, was founded in 1955.*

## **GALLAGHER ASPHALT CORP. IS FINALIST IN NATIONAL BROCHURE COMPETITION**

Lanham, MD – The National Asphalt Pavement Association (NAPA) announced today that Gallagher Asphalt Corp. of Thornton, Ill., is a finalist in its 2008 Brochure Award competition. The company was recognized on January 20, 2009, at the Association's 54<sup>th</sup> Annual Meeting in San Diego, Calif.

The award recognizes outstanding company brochures published to promote the hot-mix asphalt (HMA) industry.

Gallagher Asphalt Corp.'s 12-page brochure emphasizes the company's longevity and heritage as a family-owned company. The text details the company's paving expertise while the many full-color photos show examples of its work. The last page includes a flap where the company can insert specialized information for customers.

*The National Asphalt Pavement Association is the only association that exclusively represents the interests of the hot-mix asphalt producer/contractor on the national level with Congress, government agencies, and other national trade and business organizations. NAPA supports an active research program designed to improve the quality of HMA pavements and paving techniques used in the construction of roads, streets, highways, parking lots, airports, and environmental and recreational facilities. The association provides technical, educational, and marketing materials and information to its members, as well as product information to users and specifiers of paving materials.
